Instructions:

- Print out the template and colour it in.
- Glue the template onto a piece of thin cardboard (cereal boxes work well for this) and let it dry.
- Cut out the outline of the spiral snake.
- Cut along the spiral line to make a springy spiral snake.
- Use a hole punch to punch a hole in the centre of the snake (the tip of the tail).
- Thread a piece of string through the hole and tie it on.
- Hang your springy spiral snake!
